

WHY WORK WITH US?

Join forces with us to harness the power of a diverse workforce committed to social responsibility and triple bottom line impact. By partnering with us, your business joins our social enterprise in providing employment, vocational training, and socialization to our workforce. When faced with challenges like growth, cost reduction, or tight deadlines, trust us to provide tailor-made solutions. The next time a task "doesn't quite fit" your operation, try us - We'll fit it into ours.

TOP NOTCH FACILITY

Our state-of-the-art facility includes the following features:

- Clean, modern warehouse areas
- Convenient docks for fast loading and unloading
- Accessible to trailers as large as 13'6" high and 53' long
- The most commonly needed packaging and assembling equipment
- Flexibility to accommodate specialized equipment

To discuss your needs, tour our facility, or for more information call us today!

We are happy to help find solutions to your project requirements!

Tell Us What You Need... Let Us Do The Rest!

- We quote prices in advance, and hold our prices for 60 days. As long as your job specifications don't change, your cost won't either.
- We offer free, up front consultations on how to get a job done efficiently and cost effectively.
- We can handle jobs from the point of initial problem analysis through fulfillment - and everything in between.
- We offer high quality workmanship and on-time completion of every job - large or small.

"We have been working with Project for 20+ years, and during this time we have built a strong relationship! Project provides a very valuable service for Steris and our customers and produces at a high level of quality & service!"

PROJECT CU, INC.

AN AFFILIATE OF
CHALLENGE UNLIMITED

Packaging & Assembly Services

Providing exceptional production support services since 1958.

www.projectinc.org

WHO WE ARE

Since 1958, Project CU, Inc. has been proud to provide job training and steady employment for St. Louis area adults living with developmental, physical, and intellectual disabilities. Our employee's work is based on their skill and ability to perform tasks accurately, neatly, and efficiently.

We have a long history of helping organizations increase manufacturing capacity and sales while reducing payroll, production and facility costs. Your company can benefit from our solid project experience in quality hand work, fast turnaround times on critical jobs, and fulfillment.

WE HAVE EXPERTISE IN:

- Inspection and quality assurance services
- Logistics and project management
- Quick turnaround
- Handling and customization of large and small jobs
- Line and process proofing

*"Supporting our community and the people around us has always been a driving factor."
-Doug Martin, Project CU, Inc. Customer*
